Subject: Corporate EHS Roundtable

Hello,

Alexandra suggested that perhaps you might be available to join the group on Nov 13-14 in DC to discuss PFSA/PFOS. We meet at the Press Club....no press invited...and you could speak either afternoon of 13th or morning of 14th. Alexandra has been a strong supporter of the group (www.ehsroundtable.net) and we would benefit from your presentation...the issue looms large for many of the members.

Questions? Please email me..

Thanks

Tom Davis
